Minutes:

CHAIRMAN DAVENPORT declared the Public Hearing open.

DOUG RANKIN, Planning and Development Department, confirmed that the applicant meets all conditions and recommended approval.

LORI COLE was present and agreed with all conditions.

DENNIS VANTOW was apprehensive about the number of horses being allowed. He stated that he was mainly concerned with the horse waste and the possibility of polluting his wells. Neighboring resident, CELINE GREEN, 5700 Mello Avenue, revealed that Mello Avenue is one block long and zoned R-E (Residence Estates). She opposed any commercial business on Mello Avenue and felt it would encourage others to follow suit.

COMMISSIONER DUNNAM produced a letter submitted by seven property owners on Mello Avenue opposing the special use permit. He stated that he could not support the application in light of the neighboring residents' discontent; however, if approved, he recommended an additional condition requiring a one-year review on the special use permit. Suggestions for added conditions were discussed with MARGO WHEELER, Director of Planning and Development Department providing the appropriate wording. COMMISSIONER TRUESDELL stated he would not support the application because there is no benefit to the community and it would be creating a commercial venture.

CHAIRMAN DAVENPORT declared the Public Hearing closed.
